Company profile

- CHINA PATENTS PRODUCT
- MAIN DRAFTER OF CHINA PREFAB HOUSE STATE STANDARD
- THE ONLY ONE PREFABRICATED HOUSE SUPPLIER TO UNITED NATION

Company profile----International certification

YAODA HOUSE TECHNOLOGY awarded "ISO9001-2000 quality management certification enterprises" has owned the certification of technology private enterprises in Guangdong Province, the European CE and famous brand of Guangdong Province. And YAODA is one of the drafter for China prefabricated house state standard. It's Standardization, scientific and technological level is second to none.

Company profile----International certification

企业介绍----国内外权威认证

YAODA has owned "Science and technology innovation brand patents" and "National Invention Patent" after being engaged in independent research and development products for years.

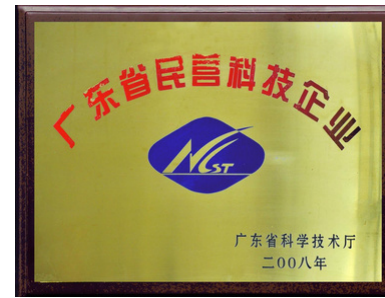

多年来开发及自主研发项目数十个获得多个科技创新产品和国家发明专利产品。

EC Declaration of Conformity

Guangdong Province Marine Fishery Leisure and Fishing Association
Intelligent Mobile Architecture Demonstration Base

Company profile----Multiple invention patents

YAODA has owned "Science and technology innovation brand patents" and "National Invention Patent" after being engaged in independent research and development products for years.

Company profile----Corporate Culture

MISSION

Integration of intelligent technology and green environmental protection , To create a beautiful space for mankind!

VISION

To be leader in the prefabricated construction field!

VALUE

Honesty leads to glory, concentration leads to success!

Innovative spirit , knowledge sharing!

SRATEGIC POSITION

Be concentrated on container house, light steel house and construction materials, To be overall construction solution provider with integration of R&D, design, manufacture, construction management and service!
